**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am writing in support of the bridge to broadband and competition in the broadband Internet market. I work from home and must have fast, reliable Internet service. Competition in this market is imperative in preventing huge Internet providers from forcing out their smaller competitors, thus limiting consumer options and forcing consumers to pay exorbitant fees for what is now a necessity in everyday life and business.
